

# When will the Bubble Burst?

Written by

**Lee Ronald Harrison**

The only thing found of the past ages of life on earth, in over 2.5 billions of years of life on earth, is their bones.

While to worship either one or both of the TWO GODS is blasphemy! That dooms the world to polar reversals, so that thousands of people will be caught up in a "rapture" because of earth's core hitting its top again, from steam expanding upon a shallower ocean inside earth's core!

Map Projection : Polar Stereographic
